

RAVI KUMAR

Electronics & Communication Engineer

Mobile: +91 91234 56789 Email: ravikumar.demo@example.com

CAREER OBJECTIVE

To obtain an entry-level engineering position where I can use my knowledge of embedded systems, C programming and electronics to contribute to practical products.

EDUCATION

B.Tech Electronics and Communication Engineering — ABC College of Engineering — 2022-2026 — CGPA 8.2

TECHNICAL SKILLS

C / C++ / Python / Arduino / ESP32 / MATLAB / basic Embedded C / IoT / UART / SPI / I2C

PROJECT WORK

1. Temperature Monitoring System

Used ESP32 and DHT11 sensor. Displayed temperature and humidity and sent an alert when threshold exceeded.

2. Automatic Street Light

LDR based system to switch LEDs depending on ambient light.

INTERNSHIP / TRAINING

Embedded Systems Training, 2025 — Worked with Arduino boards, sensors, serial communication and basic debugging.

PERSONAL DETAILS

Date of Birth: 12/05/2004

Languages: English, Hindi, Telugu

Address: Hyderabad, Telangana

DECLARATION

I hereby declare that the information provided above is true to the best of my knowledge.

Ravi Kumar
